I am interested in being considered for the 2017 NH USGA State Team. If I am chosen to represent New Hampshire in this prestigious event I understand:

- NHWGA will subsidize all or part of this event; I understand I will be responsible for some expenses.
- I will be able to play Sept 25 - 28, allowing for more days of travel time if necessary.
- I will practice, travel, lodge, and play as a team.
